

GO PRO.

ProTech is a top provider of outsourcing, staffing, and third party payroll. Our team of recruiters are committed to connecting the next generation of talent to our clients by delivering high quality customer service and exceptional staffing solutions. Our services include:

- ✓TEMPORARY POSITIONS
- ✓TEMP-TO-HIRE PLACEMENTS
- ✓DIRECT HIRE (FEE BASED)
- ✓PAYROLL SERVICES

We provide customized staffing services from analyzing your specific market to locating quality candidates with the skills and experience critical to your success.

TECHNOLOGY

ProTech provides online reporting and advanced timekeeping systems crucial to a successful staffing partnership. Our cost-effective solutions track and manage your employees' time, labor costs, compliance, benefits, insurance and payroll accuracy.

NICHE RECRUITING

Our recruiters are trained and dedicated to fulfill specific professional positions. We provide a labor market analysis to understand your market and develop customized recruiting strategies specific to your business.

EMPLOYEE ADVANTAGE

ProTech's benefits and rewards program creates satisfied employees, increases productivity and reduces turnover. Through employee advantage, we demonstrate appreciation for our employees and emphasize a true employer-employee partnership.
